

Championship Manager - Bug #193

Lower points races discarded when points schema is ascendent

09/09/2023 08:13 AM - Jesús M. Broceño

Status:	Closed	Start date:	09/09/2023
Priority:	Normal	Due date:	
Assignee:	Jesús M. Broceño	% Done:	0%
Category:	Race format	Estimated time:	0:00 hour
Target version:	1.25.2		
Description			
When a ascendent points schema is used, races with lower points are the best so higher point races should be discarded, not lower ones.			

History

#1 - 09/09/2023 09:17 AM - Jesús M. Broceño

- Subject changed from Lower points races discarded when points schema is descendent to Lower points races discarded when points schema is ascendent

- Description updated
