

Race Manager - Bug #219

Best results report doesn't use the racer's practice time to show the results.

03/05/2024 11:15 PM - Jesús M. Broceño

Status:	Closed	Start date:	03/06/2024
Priority:	Normal	Due date:	
Assignee:	Jesús M. Broceño	% Done:	0%
Category:	Reports	Estimated time:	0:00 hour
Target version:	1.26.1		

Description

Step to reproduce:

- Set practice time to 1 min
- Set racer's practice time to 10sec
- Start practice
- Finish practice

Result will be shown on default practice time group (1min) instead of racer's practice time group (10sec). It's saved right, so refreshing the report solves the issue

History

#1 - 03/05/2024 11:21 PM - Jesús M. Broceño

- Subject changed from Practice results with racer custom run duration updated on default duration result to Best results report doesn't use the racer's practice time to show the results.

- Description updated
